## **DETAILED ACTION**

### ***Priority***

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on December 12, 2003 is being considered by the examiner.

### ***Allowable Subject Matter***

3. Claims 1-8 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art does not teach or fairly disclose, in addition to other element in the claim, claiming a data input unit of a synchronous semiconductor memory device comprising means for generating a second falling edge signal whenever two prior falling edge signals are generated in response to the data strobe signal; a data transforming means for dividing input data into four and latching the four divided data in response to the rising edge signal and the falling edge signal, and then latching again the four divided data in response to the second falling edge signal; and a global input/output signal generator for transmitting the data from the data transforming means to a global input/output line in response to a strobe clock.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
